#### **SoundRidge Private Wealth Adds Managing Director, Reaches Approximately \$500M AUM**

*Michael Coraggio Joins SoundRidge Private Wealth*

**New York, N.Y. (January 26, 2026)** - SoundRidge Private Wealth, a Manhattan-based financial advisory practice affiliated with Wells Fargo Advisors Financial Network (FiNet), announced today that Michael A. Coraggio has joined the firm as Managing Director. Coraggio joins SoundRidge from Janney Montgomery Scott.

Coraggio's addition is the first of several planned expansions as SoundRidge continues to strategically grow its advisory practice throughout 2026 and beyond.

Coraggio brings more than three decades of experience in the financial services industry and works with a select group of individuals and families, including retirees, business owners, and multi-generational households. The majority of his clients are expected to transition with him to SoundRidge, reflecting long-standing advisory relationships built over decades.

"Michael is someone we've known and worked with for a long time, and the synergies he brings to our team were obvious," said Noah Doyle, CEO and Co-Founder of SoundRidge Private Wealth. "We share the same view on what clients need and how advice should be delivered, and the independent model gives us the flexibility to do that the right way. Bringing him into SoundRidge is about building deliberately with people we trust, and we're thrilled to have him onboard."

Coraggio previously worked alongside Doyle and Charles Princiotto at Janney Montgomery Scott, where they developed a collaborative relationship grounded in personalized, client-focused wealth planning.

"Having worked closely with Noah and Charles in the past, I know we share a well-established approach to client service and wealth planning, which made this transition a natural next step," said Michael Coraggio. "SoundRidge's independent model provides the right environment to continue serving my clients with continuity, flexibility, and a long-term perspective. I'm excited to be part of the SoundRidge team and to help the practice continue to grow in the years ahead."
